Chadwells Stud

British bred - a blend of the best.
A new generation with high quality talent,
temperament, and type

Welcome to Chadwells Stud, a family run stud that is passionate about breeding high-end dressage horses that can be enjoyed by both amateurs and professionals alike.

We have carefully sourced excellent mares, many of whom we purchased as foals based on their own quality and the success and consistency of their mareline. We are extremely proud to have mares in our breeding programme from some of the best mare families in Germany and England.

Julia invests a significant amount of time into sourcing the most ideal stallion to match each mare, to produce the healthiest, most trainable, and talented horse possible. We aim to breed horses that have long, healthy lives, while being competitive on the National and International stage.

When breeding and choosing a suitable stallion, it is important to recognise the faults in your mare, but also to further look at the horses in the pedigree behind the horse in front of you (your mare). Often the most trendy and commercial stallion is not the most suitable for your mare/her pedigree, and this is where Julia loves investigating what stallions are out there... you will notice we use a mixture of both very well known, older, established stallions, but also the lesser known and younger hidden gems who are in the early years of their career.

Esperanza CS

2024 Chestnut Filly to make - 16.3hh

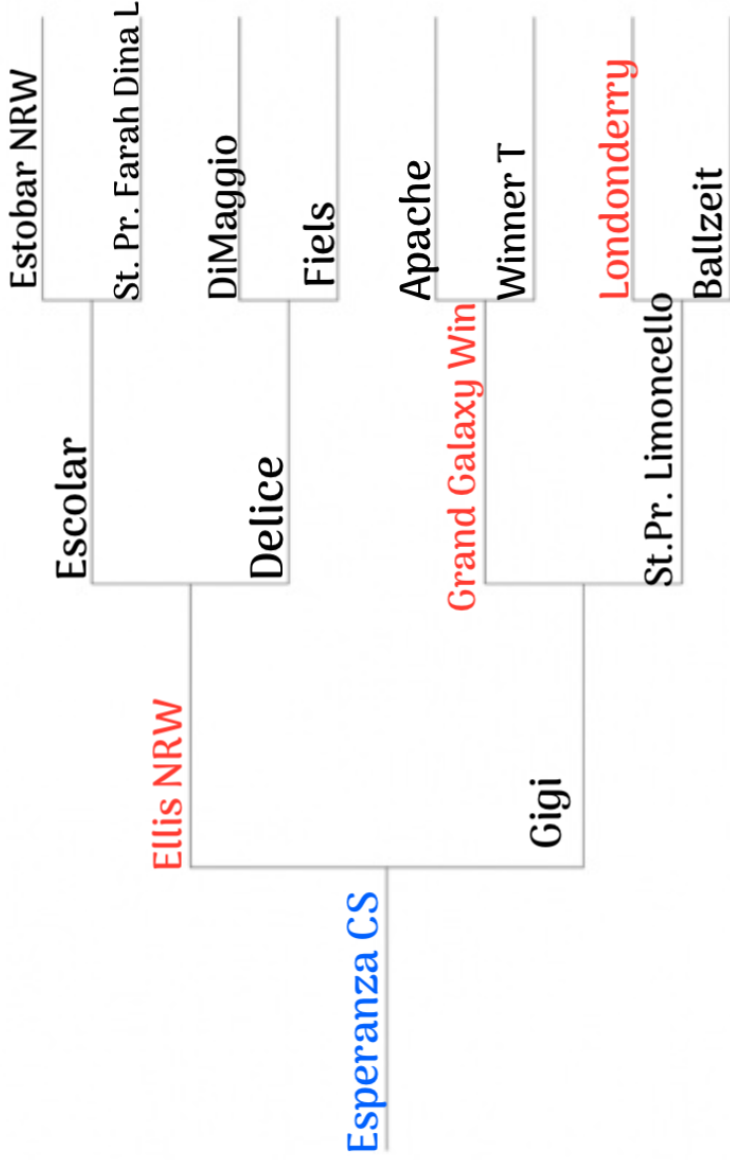

This beautiful, long-legged filly moves with a lot of elasticity and expression. She is sired by Ellis, the internationally licensed winner of his sport test, where he gained 9.09 for dressage and scored no less than 3 x 9.5 and 2 x 9s. He is the younger full brother to World Young Horse Championship finalist and Multiple European Gold Medallist, Espe, ridden by Annabella Pidgley.

Her incredibly elegant mother, Gigi, was award 8s and 9s for her Studbook inspection and showed incredible ride-ability and talent under saddle.

At the BBN show, German judge, Hans Heinrich Breuning, said about her “I really like this horse, she is feminine, she is lovely, with three really good gaits, and the trot is unbelievably good...”

So, with an exceptional character and quality pedigree; if you want a tall and kind mare to be competitive all the way up the levels, this filly is a sure bet!

Fitzgerald CS

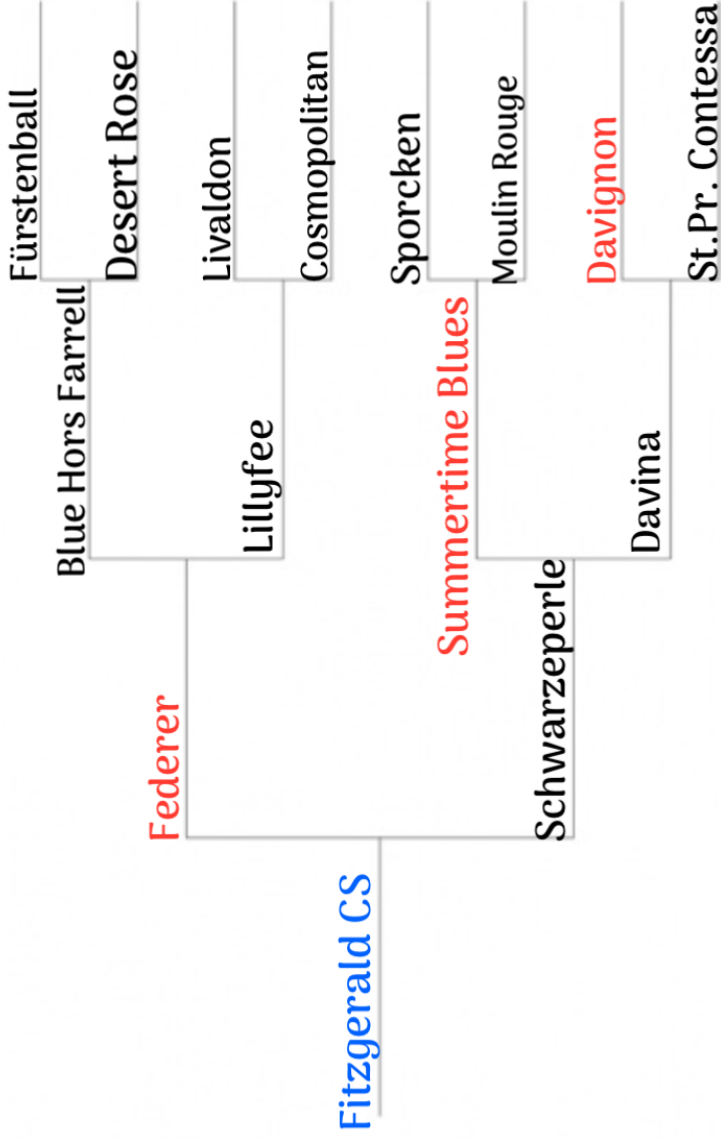

2024 Dark Bay colt to make 16.1/16.2hh

Here we have a charismatic, handsome young colt by the 'Hauptprämiensieger' (Grand Prize Winner) Federer. A sensational son of Blue Hors Farrell, highly celebrated in Oldenburg.

The mother, Schwarzeperle, is a real jewel in our breeding program, coming from an incredibly strong damline that has produced multiple high level sport horses, including and an international Grand Prix Horse, internationally licensed Stallions, and State Premium mares.

Fitzgerald (Gerry) has inherited all the qualities we had hoped for from both parents; a beautiful model with 3 very good paces and a charming personality.

Fontainebleau CS

2024 Bay Filly to make 16.3hh

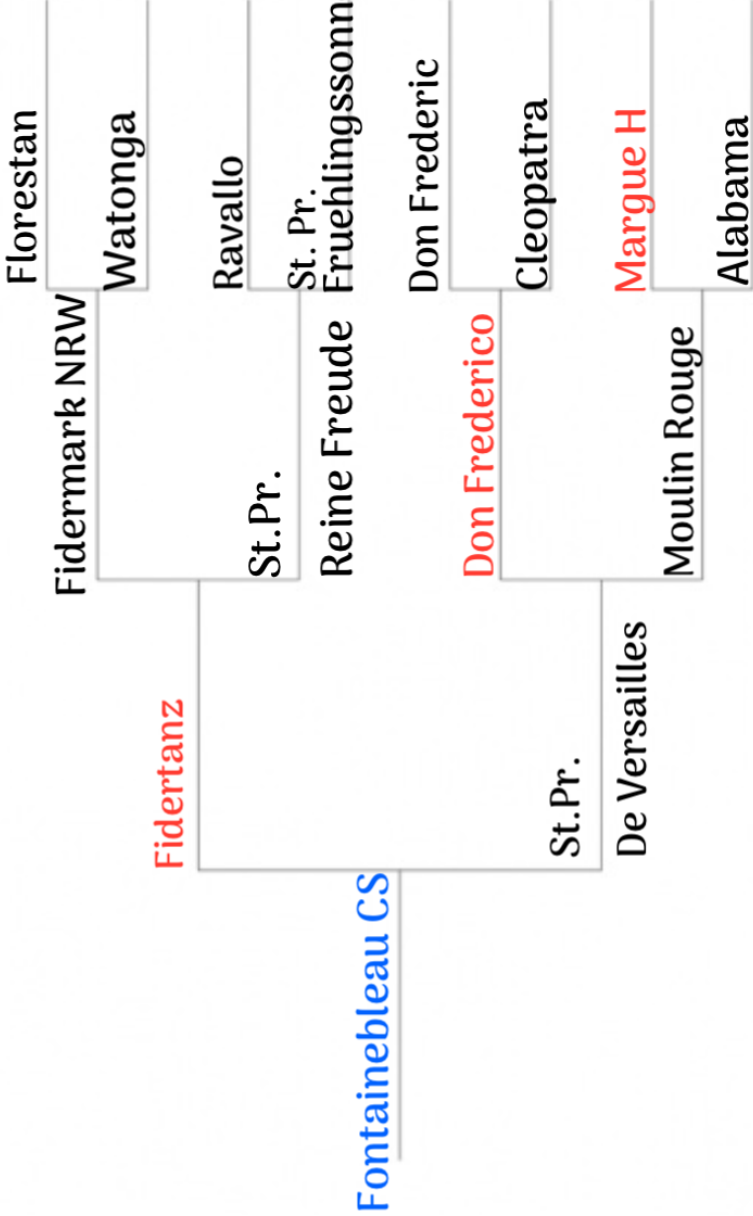

This notable daughter of State Premium mare De Versailles, is very well constructed, with three lovely paces and a superb character. De Versailles scored 9s in her Mare Performance Test in Germany; by Hanoverian Stallion of the Year and licensing Champion Don Frederico. She is also the maternal sibling to Internationally licensed 'Summertime Blues'

De Versailles has produced a significant number of Premium Hanoverian Foals.

The sire, Fidertanz, needs little introduction. Grand Prix successful himself, and a significant name in breeding and sport; he has produced a tremendous number of a Grand Prix horses and licensed stallions.

Rideability and friendship are the key words that come to mind with this special filly.

Vermilion CS

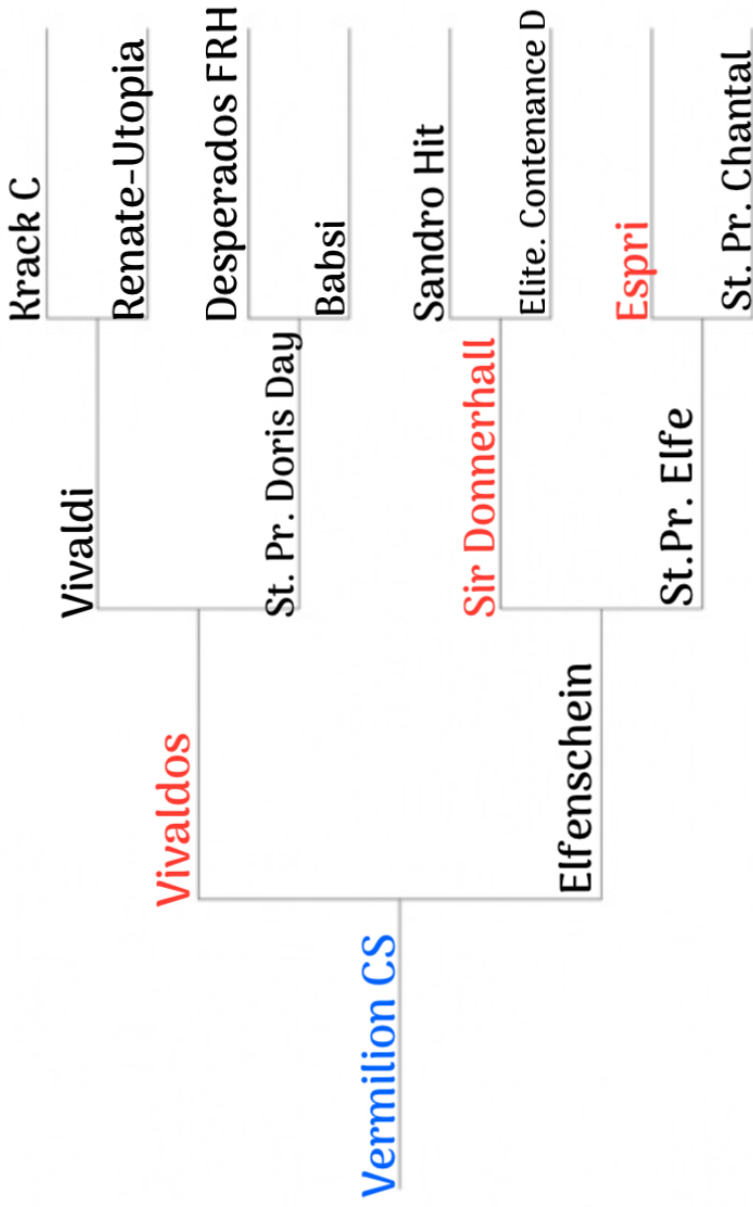

2024 Liver Chestnut Colt to make 16.2hh

This enchanting stallion prospect has it all. He is by the Hanoverian Premium Stallion, Vivaldos, who combines the brilliant blood of Vivaldi and Desperados. Vivaldos was also awarded the 'Hauptprämiensieger' (Grand Prize Winner) for his age group, by the Oldenburg Verband, for his superior quality of foals and his own sporting achievements combined. His first crop are 4 years old and delighting riders across Europe.

Vermilion's mother, Elfenschein, carries a special pedigree. She is by the legendary stallion Sir Donnerhall, and out of a pure premium showjumping mother...creating a blend of power and elegance. Elfenschein has, so far, produced nothing but Premium Hanoverian foals. She has a full sister competing successfully at Small Tour level in Germany, while the immediate motherline has produced a licensed stallion and successful dressage and jumping horses alike.

This exquisite young man is set for great things.

Faraday CS

2024 Dark Bay Colt to make 16.2hh

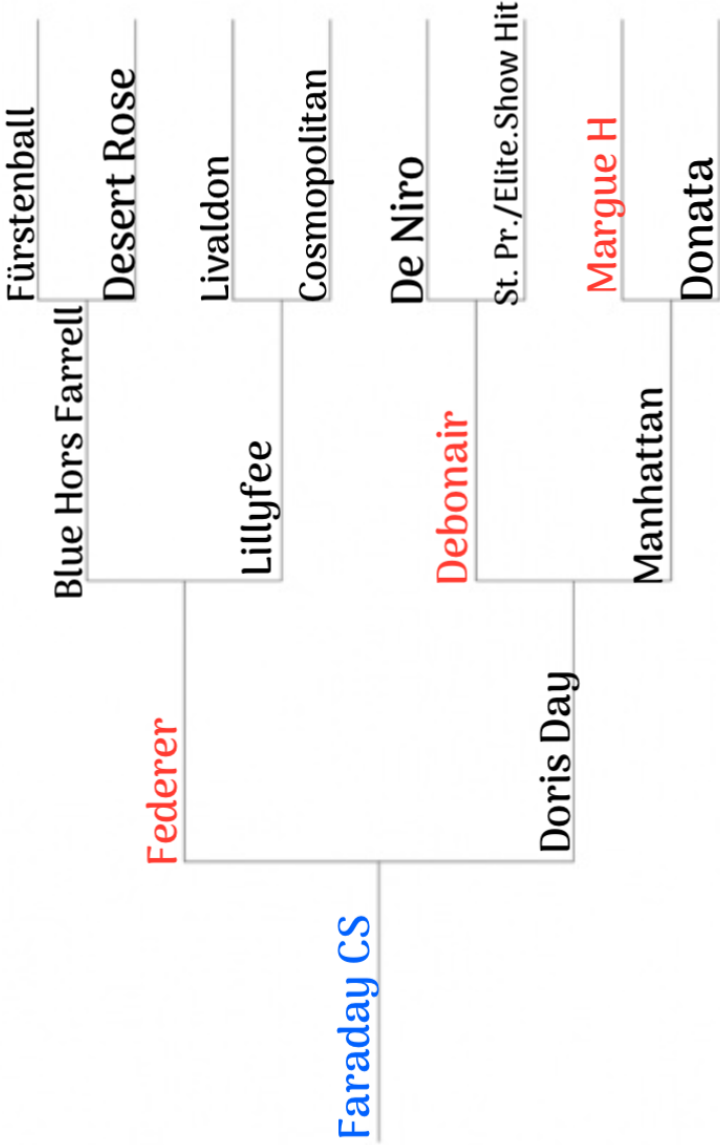

This colt exudes presence; 3 exceptional paces and beautiful type. Faraday is a top foal by Federer, carrying the blood of the infamous sire Furstenball.

The mother, Doris Day, is herself a powerful, expressive mare by the Small Tour successful Stallion Debonair who combines the dressage greats...De Niro and Sandro Hit.

Doris has wonderful 'old school' Grand Prix blood which is hard to find in this era of sport horse breeding. Faraday (Bertie) is Doris's second foal, her first, Supernatural CS, was a Premium Hanoverian foal and is now undersaddle showing fantastic rideability and talent for the future.

We think this upstanding foal could be a serious Stallion prospect as well as a high-level sporting hopeful.

Divine Intervention

Despacito x Scolari x Wolkenstein II
2020 born Hanoverian Life Approved Stallion

We are immensely proud to have owned this talented young stallion since he was a 2.5yo; when he became a licensed Hanoverian stallion in Verden, Germany.

He has since successfully passed his stallion performance test and thus became 'Life Approved'. He shows great ability for the top of our sport and is a very sweet stallion. What is most convincing and exciting about 'Divine' is that he is everything one could hope and predict he would be, from the result of his particularly outstanding pedigree.

His mother, Scara Boa FRH, was World Young Horse Champion herself, as well as competing successfully up to Inter I. Out of only just a small handful of foals, she has given birth to two Internationally licensed stallions, a State Premium mare, a Bundeschampion, and Hanoverian Champion - all of which are only young but progressing convincingly up the levels.

Divine's Sire, Despacito, was awarded the Weltmeyer prize for his spectacular first crops of foals along with his sporting career thus far. He brings the much-adored D-line blood. He won Gold at the Hanoverian Championships, as well as Silver at the Bundeschampionat; he is now training the Grand Prix movements.

Breeder: *Ingo Pape*
Owner: *Julia Wilkinson,*
and Patricia & Roger Baker

Frozen semen available:
£500/dose
WFFS free
Excellent semen quality

Divine Intervention is showing huge potential; he won his first ever show in very good company in Germany, and we are delighted to present to you his first foals...

Above Left: Boa Vista FRH is crowned **Bundeschampion of Germany**.

Above Right: Boa Vista FRH is crowned **Hanoverian Championesse**

Below: Scara Boa FRH is crown **World Young Horse Champion!**

Boa Vista FRH is Divine's maternal sister.

Scara Boa FRH is Divine's mother!

The Suffix 'FRH' is awarded, by the Hannoveraner Verband, to horses who have achieved significant sporting success; those that are an exemplary representation of the Hanoverian breed.

Divine Destiny CS

2024 Bay filly to make 16/16.1hh

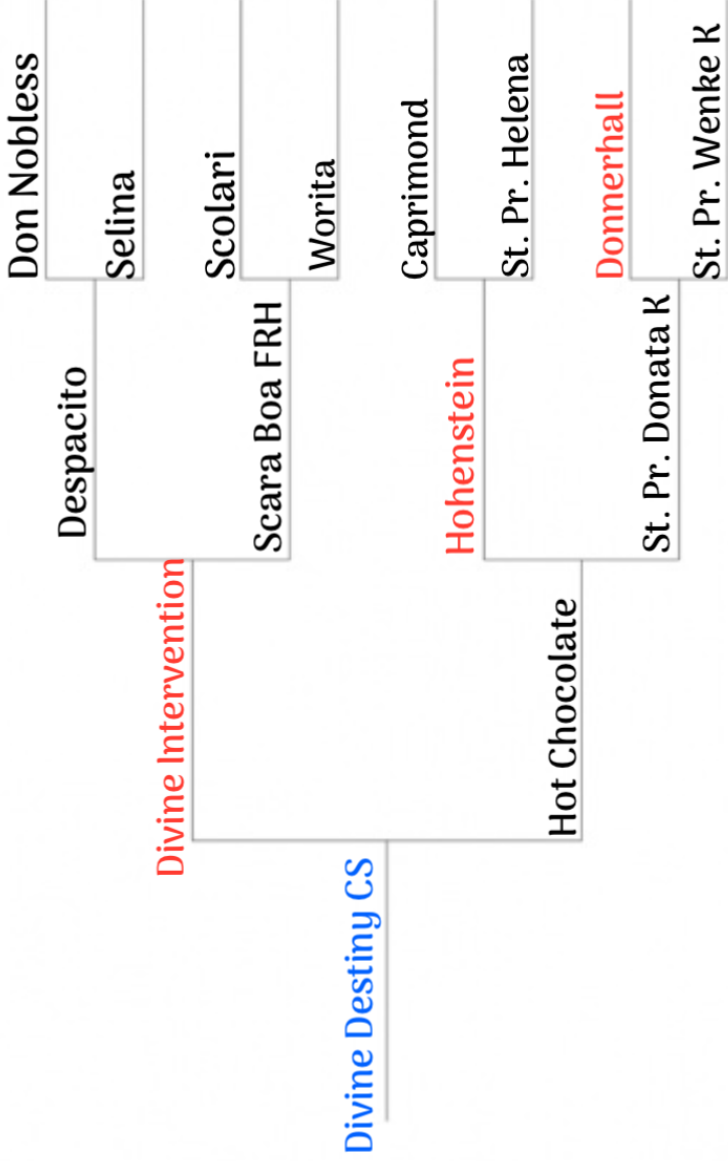

This gorgeous, feminine filly has 3 super elastic paces. She moves through her body with great suppleness and energy.

Beautifully marked, she is going to be a showstopper; so far proving to be exceptionally sweet natured.

She is by our very own Internationally licensed Hanoverian stallion, Divine Intervention who is by Grand Prix hopeful and up and coming star-Sire, Despacito. He has an incredible motherline; his mother was successful at Small Tour level but significantly, she was World Young Horse Champion. Her other son is also a licensed stallion in Germany, while her eldest daughter was Bundeschampion of Germany, Hanoverian Champion, and Vice-Bundeschampion of Germany the following year too. A family of high achievers and most importantly, high rideability. Divine Intervention has recently won his first show, in Germany, at just 4 years old.

This filly's mother also needs a special mention. Hot Chocolate competed to Inter 1 with a young rider, and her motherline has produced a convincing number of Advanced level horses, as well as the licensed stallion Desert Moon.

Divine Moon CS

2024 Bay Colt to make 16.3/17hh

An ultra friendly, big moving, powerhouse.

Our youngest foal of the year did not disappoint.

He too is also by our own Divine Intervention, as mentioned previously...he is by Grand Prix hopeful and up and coming star-Sire, Despacito.

Divine Intervention has an incredible motherline; his mother was successful at Small Tour level but significantly, she was World Young Horse Champion too. Her other son is also a licensed stallion in Germany, while her eldest daughter was Bundeschampion of Germany, Hanoverian Champion, and Vice-Bundeschampion of Germany the following year too. A family of high achievers and, most importantly, top rideability.'

What makes this young man even more special is his beautiful, important mother, Havana Moon.

Havana is an Elite Hanoverian mare, by Hotline, a Grand Prix stalwart and notable breeding stallion. She is out of a mare by Weltmeyer, a true legend of his time, Champion throughout his life, king of conformation, and a producer of top-class sport horses and stallions.

Divine Moon has a perfect blend of both his parents; powerful but elegant, expressive moving, and people orientated.

Essex and Suffolk Equine Vets are proud to be an independent equine practice.

‘We are a dedicated ambulatory equine practice serving equine clients throughout Essex and Suffolk. Our experienced team provide a comprehensive and personal service in a caring and professional manner.
